

LONGSHOT

Dick Francis

A girl has been strangled at a party; a second victim, a stablegirl, goes missing and is later found dead . . . Racehorse trainer Tremayne Vickers is thankful for the help of his young biographer, John Kendall, when several of his family and close associates fall under suspicion. Every male amongst them could, it seems, have had a motive. So which one is capable of murder? John discovers the surprising truth only when he himself has become the killer's final target.

Dick Francis is at the height of his form with a gripping new mystery which will delight his many fans.

NO HARP LIKE MY OWN

Marjorie Quarton

The offer of a job on a sheep farm in Yorkshire is a welcome prospect for Benedict Glyn. Above all, it's a chance to escape from Cloninch, the farm in Ireland where his stubborn grandmother, Agatha, rules with a will of iron. But Ben's new life is quickly shattered by a tragic accident. Facing dark depths of despair, he must learn to depend upon the devotion of a very special girl—and the exceptional courage and loyalty of a Border collie named Meg.

A memorable and moving novel that celebrates the conquering power of hope and love.

TRIAL

Clifford Irving

Defence lawyer Warren Blackburn badly needs a legal case that will put him back on his feet. Being assigned to the low-key trial of Hector Quintana, a homeless immigrant, is a start. But the next case to come his way is Houston's big murder trial. Warren can't believe his luck. Until suddenly, while he is preparing his defence, he has the sickening feeling that his two cases are linked . . . When the guilty start to appear innocent, and the innocent guilty, it puts a conscientious lawyer like Warren in an impossible position.

Scintillating courtroom drama packed with suspense.

THE FLIGHT OF FLAMINGO

Elizabeth Darrell

In the 1930s the world of aviation is full of promise—especially for Kit Anson, young test pilot for Kirkland Marine Aviation. Handsome and daring, Kit wins many a heart, including that of Sir Hector Kirkland's daughter, Leone. But when he threatens to reveal a secret that will shake the foundations of the Kirkland empire, he is publicly disgraced.

This enthralling novel tells how Kit regains his honour, by flying once again, in tests of courage that take him from the jungles of Africa to the icy fiords of Norway during World War II.
